Insurance Requirements: Coverage shall include workers compensation and employer's liability in the amount of five hundred thousand dollars (\$500,000), General Liability Insurance in the amount of six hundred thousand (\$600,000)- general aggregate and three hundred thousand (\$300,000) for each occurrence. The City of Wheat Ridge must be listed as the Certificate holder. **(Please provide a copy at time of license submittal.)**

License Classification and Documentation Requirements

(a) The various classes of licenses issued under this article and the work authorized to be performed by the holder of the license are as follows:

(1) **Building Contractor - Class 1**, shall be authorized to perform the following: unlimited building, altering, adding to the structural portions of any building, structure or portion thereof of any type, including all concrete, structural steel and iron, and the demolition of all or any part of a building or structure on a site on which he will build new construction, remodel, alter or repair an existing building or structure.

Documents required: Provide copy of ICC Class A test or an active Contractors Class A License from one of the following municipalities: Denver, Aurora, Colorado Springs, Pikes Peak, Fort Collins, Park County, or City of Boulder. **Supervisor licenses are not accepted.**

(2) **Building Contractor - Class 2**, shall be limited to Type III, IV or V buildings not exceeding three (3) stories and not used for Educational, Institutional or Hazardous occupancies as defined by the building code.

Documents required: Provide copy of ICC Class B test or an active Contractors Class B License from one of the following municipalities: Denver, Aurora, Colorado Springs, Pikes Peak, Fort Collins, Park County, or City of Boulder. **Supervisor licenses are not accepted.**

(3) **Residential Building Contractor - Class 3**, shall be limited to one and two family dwellings and multiple single-family (townhouse) residential structures not exceeding three (3) stories and their accessory structures.

Documents required: Provide copy of ICC Class C test or an active Contractors Class C License from one of the following municipalities: Denver, Aurora, Colorado Springs, Pikes Peak, Fort Collins, Park County, or City of Boulder. **Supervisor licenses are not accepted.**

(4) **Building Contractor – Class 4**, shall be authorized to perform work not otherwise authorized under License classes 1-3 and 5-15. This license shall be required of all subcontractors and trades performing work not authorized by other license classes.

Documents required: Provide copies of three active subcontractor type licenses with any three municipalities in Colorado.

(5) **Home Owner Building Contractor - Class 5**, shall be issued to an individual who desires to perform work involving construction, alterations or additions including plumbing and mechanical alterations of a single-family dwelling owned by that individual, in which he/she resides and will reside for a period of one year after project completion. This license shall be required when homeowners complying with the above qualifications are performing work which affects the structural sufficiency of the home, or when work is being performed by individuals/contractors other than the owner under the owners supervision.

(6) **Structure Moving Contractor - Class 6**, shall authorize moving of any and all types of buildings or structures. The requirement for license applies to any person so performing in the city on public rights-of-way regardless of points of beginning and destination of the performance. *(see section 5-42 for insurance and bond requirements)*

Documents required: Provide copies of three active subcontractor type licenses with any three municipalities in Colorado.

(7) **Demolition Contractor - Class 7**, shall be authorized to perform demolition or wrecking of any building or structure or portion thereof.

Documents required: Provide copies of three active subcontractor type licenses with any three municipalities in Colorado.

(8) **Plumbing Contractor - Class 8**, shall be authorized to do the following: installation of all sanitary plumbing and potable water supply piping and appliances connected thereto, and including gas piping and the complete installation of water heaters, the installation of piping for transmission of chemicals and gases; the installation and removal of backflow prevention devices; the installation of gas ranges, gas dryers and gas refrigerators, steam and hot water heating system, process and industrial piping and related appurtenances which shall include the piping used for the transmission of chemicals and gases, the installation of burners, piping and controls utilizing gas, pipe insulation and low voltage wiring which does **not exceed fifty (50) volts** and when such wiring is not enclosed in a conduit or raceway.

Documents Required: Provide copy of State of Colorado Master Plumber and State of Colorado Plumbing Contractor licenses.

(10) **Electrical Contractor- Class 10** - A license is **not** required; however, registration with the City of Wheat Ridge through submission of the approved registration and insurance documents is required. **This form shall not be used for the purposes of registration.** Registration shall authorize the installation of electrical systems, appliances and raceways in accordance with adopted codes and amendments.

Documents Required: Provide copy of State of Colorado Master Electrician and State of Colorado Electrical Contractor licenses.

(9) **Mechanical Contractor - Class 9**, shall be authorized to do the following: installation of warm air heating, all ductwork, ventilation and evaporative cooling; the installation of gas piping, burners, venting and controls; and exterior sheet metal; duct isolation; installation of refrigeration systems and appurtenant cooling towers; pipe installation; and low voltage wiring which does **not exceed fifty (50) volts** and when such wiring is not enclosed in a conduit or raceway.

Documents required: Provide copy of ICC Mechanical test or an active Contractors License from one of the following municipalities: Denver, Aurora, Colorado Springs, Pikes Peak, Fort Collins, Park County, or City of Boulder. **Supervisor licenses are not accepted.**

(11) **Sign Contractor - Class 11**, shall be authorized to do the following: fabricating, installing, erection or maintenance of all types of signs. For the purpose of this section, marquees shall not be classified as a sign.

Documents required: Provide copies of three active sign contractor licenses from any three municipalities in Colorado.

(12) **Fire Protection Contractor - Class 12**, shall be authorized to do the following:

- a. Automatic fire sprinkler systems of all types.
- b. Carbon dioxide systems.
- c. Standpipe systems and appurtenances.

Documents required: Provide copies of three active licenses with any three municipalities in Colorado.

(13) **Lawn Sprinkler Contractor - Class 13**, shall be authorized to do the following: installation of underground lawn sprinkler systems, including tapping the existing water service or main. CRS 12-58-102.

Documents required: Provide copies of three active licenses with any three municipalities in Colorado.

(14) **Roofing Contractor - Class 14**, shall be authorized to apply roof covering material to all structures.

Documents required: Provide copy of ICC National Roofing test or an active Contractors License from one of the following municipalities: Denver, Aurora, Colorado Springs, Pikes Peak, Fort Collins, Park County, or City of Boulder. **Supervisor licenses are not accepted.**

(15) **Electrical Signal Contractor - Class 15**, shall be authorized to do the following: installation of fire detection, fire alarm, burglar alarm, pneumatic control and all signaling or control systems where the electrical voltage does **not exceed fifty (50) volts**. Exception: Authorized and franchised public utility companies.

Documents required: Provide copies of three active licenses with any three municipalities in Colorado.
