

## Community Notification

Updated 8-10-09

The City is in the process of implementing a new bus bench program. The contract has been awarded to a local business and a ten year contract has been signed. The new advertisement bus benches will be metal; similar to the picture below. Trash cans are also provided and will have the City logo.

The installation of the new benches should begin in August and will be installed per an agreed upon schedule over the next year.

If you have further questions you may contact the Public Works Department at (303) 235-2861.
