

Mid-Year 2008-2009 PAY PLAN(s)

As a normal process, the City conducts periodic market analysis for the purpose of determining what wages are generally prevailing in similar cities within the Denver metropolitan area. This analysis encompasses governmental organizations that meet the following criteria:

- Those that are contiguous with the City of Wheat Ridge (excepting Denver); or,
- Those that are similar in size to the City of Wheat Ridge (as determined by population served that is no more than double the size of Wheat Ridge population or no less than half the size of Wheat Ridge; and/or operating budget size that is no more than double the size of Wheat Ridge operating budget or no less than half the Wheat Ridge budget; or,
- Those special districts that represent a significant employer in the metropolitan area for a given discipline, (e.g., parks and recreation districts).

Thus far, the organizations that meet these criteria include:

Arvada	Englewood	Littleton
Brighton	Golden	Louisville
Broomfield	Greenwood Village	Northglenn
Castle Rock	Lafayette	Thornton
Commerce City	Lakewood	Westminster

(For Part-Time/Seasonal positions the review also included S. Suburban, Foothills, & N. Jeffco)

SUMMARY

- Review Process and Implementation Effective Date – Comparison data is collected from our “market” at the first of each year to ensure we have the most current and complete data possible. A thorough analysis is conducted on as many of the positions as possible; recommendations are made accordingly; and, implementation of all pay adjustments is effective mid-year in the year for which the survey is completed.
- Market Placement - The placement within the market is established at 55th percentile of the market for civilian positions and 70th percentile for sworn positions.

RECOMMENDATION

Survey Results - The final analysis of the mid-year market comparison indicated the pay range minimums and maximums for the majority of civilian positions and all sworn positions warranted adjustment in order to remain competitive in the market.

FINAL RESULT(S)

All recommendations were approved by Council for implementation on June 28, 2008.

PAY PLAN STRUCTURE

- The City’s Pay Plan consists of eight (8) “Job Family” categories where positions are assigned, similar to the EEOC (Equal Opportunity Commission) placement:
 - Administrative/Management Support
 - Executive
 - Labor/Trade/Crafts
 - Law Enforcement
 - Management
 - Professional
 - Technical
 - Part-Time/Seasonal

- **Wage Minimums and Maximums** – The formation of pay ranges are market-based with the minimums and maximums established around a pre-determined percentile of the Market Range. As approved, the percentile placement in the market for Civilian positions is at 55th and 70th for Sworn.

- **Pay Range Design** - There are two (2) Step-Based Pay Range designs housed within a single Compensation Plan:

Intermittent Part-Time/Seasonal & “Regular” (Benefited) Civilian positions (excludes Executive class)
 Each Pay Range consists of nine (9) Steps with a consistent 3.5% between each Pay Step, (“Executive” class is a Pay for Performance plan). As a result of this consistent percentage between Steps, there is no guarantee the minimums and maximums for every position are at the exact 55th percentile but the City makes every effort meet this goal.

Police “Career-Path” Sworn positions, as maintained in the Law Enforcement category
 The pay plan for this category is a six (6) Step design. As a result of the commitment to establish the pay range minimums and maximums at the established percentile (70th), the percentage rate between each step may vary from year to year, as well as from position to position.

SUMMARY

In conclusion, the 2008-2009 Pay Plan is designed to maintain competitive relationships with the market and provide an unbiased relationship in pay between positions and departments.
