Specific Instructions

Line 1 – Legal/True Name of Business. Enter the legal name of the individual or entity registering exactly as it appears on the registrant’s social security card, charter, articles of organization, or other legal document. This is not normally the name of the individual completing this form.

Individuals/Sole Proprietors: Enter your last name followed by your first name as it appears on your social security card.

Corporations: Enter the name of the corporation as it appears in the articles of incorporation or corporate charter.

Limited Liability Company: Enter the name of the LLC as it appears in the articles of organization.

Partnerships: Enter the name of the partnership as it appears in the partnership agreement.

Trusts: Enter the name of the trust as it appears in the trust instrument.

Line 2 – Trade Name. Enter the name by which the business is known to the public if it is different from the legal name. Trade names are also referred to as “doing-business-as” or “DBA” names and must be registered with the Secretary of State (see above). If the trade name exceeds 30 characters, abbreviate it appropriately.

If the business is known by multiple trade names, enter the most common name (i.e. the name which will appear on business invoices and signage) and attach a sheet listing the additional trade names.

It is particularly important that local businesses list the name displayed on premise signage so that police and fire personnel can easily locate the business in case of an emergency.

Line 3 – Federal Employer Identification Number. Enter the business' nine digit Federal Employer Identification Number (EIN).

If the applicant is an individual or a single member disregarded LLC without an EIN, do not enter your social security number (or taxpayer identification number). Leave this line blank.

If the applicant has applied for an EIN, leave this line blank and file an update upon receiving the EIN from the Internal Revenue Service. For additional information on applying for an EIN visit, the IRS website: <http://www.irs.gov>.

Line 4 – Colorado Sales Tax Account. If applicable, enter the retail sales tax or retailers use tax account number issued to the registrant by the Colorado Department of Revenue. If the applicant has applied for a state sales tax account, leave this line blank and file an update upon receiving an account number from the Department of Revenue. For additional information on registering with the Department of Revenue, visit their website: <http://www.taxcolorado.com>.

Do not list an EIN or state sales tax account number on tax returns, forms, and other correspondence with the City. Upon approval of the registration, the City will issue a unique Wheat Ridge tax account number.

Line 5 – Other Wheat Ridge Tax Accounts. Each location within the City requires a separate license.

Sales made from locations outside Wheat Ridge, catalog sales, and sales over the internet may be reported under a single account that is separate from accounts for locations in the City. Taxpayers must not add these sales to an account for a location in the City.

Provide any other Wheat Ridge business and tax license account numbers this applicant owns.

Line 6 – Reason for Filing. Check the box which best represents the reason you are submitting this form. Note that business licenses are generally not transferrable, and that a new registration will be required if the business is sold or merged into another entity causing a requirement to change the FEIN/EIN.

Line 7 – Legal Form. Check the box next to the appropriate legal form.

Pursuant to C.R.S. § 24-76.5-103, individuals and single member sole proprietorships are required to submit a Lawful Presence Affidavit form in addition to this application. This form is available in the Tax & Licensing section of the City website and is included with the application. Out of City and catalog and internet only accounts not located in Wheat Ridge do not need to complete this form.

Line 8 – Location/Account Type. Check the box which best describes the location for which a license is sought.

Commercial locations include all premises within the City (except residential dwellings) where any kind of trade, vocation, occupation, profession, enterprise, establishment, or other activity or matter, whether or not for profit, is operated, excluding those activities operated from a residential address. For licensing purposes, commercial locations include licenses for businesses operating and maintaining hotels/motels, multi-family dwellings, and residential care facilities.

Home Occupations those commercial or business activities based in a dwelling unit (residence) in accordance with the City zoning code. Special restrictions apply to in-home businesses and the [Home Occupation Supplement to the Application](#) form is required to be submitted with this form.

Out of City/Catalog/Internet accounts are for applicants making sales or collecting tax on sales in the City who do not maintain a fixed premise in the City. Out of city accounts are also for applicants with one or more locations in the City to report sales of property and services originating from location outside Wheat Ridge. Sales from multiple locations outside Wheat Ridge may be combined under a single out of city account, however, taxpayers may not report out of city sales using an existing local account.

Solicitor/Peddler accounts are for short-term sales or solicitations of sales in the City. Peddlers are limited to selling from a single location only and must obtain the property owner's written permission to do so. A \$100 site cleanup escrow deposit and a \$100 tax deposit are required. Solicitors must bear a valid ID issued by any state and a copy of the license at all times while working in the City. A \$100 tax deposit may be required depending on the nature of the solicited sales.

Festival/Farmers' Market. Applicants include farmers' market, other festival and Carnation Festival vendors. The organizer of the event is responsible for site cleanup so no escrow is required of individual vendors. A tax deposit is required from festival and farmer's market vendors, but the amount may be reduced based on City sponsorship or other considerations.

Mobile Food Sales. Sales of food and non-alcoholic beverages from pushcarts or trucks are permitted subject to specific rules. The rules are viewable herein or on www.ci.wheatridge.co.us. You may also obtain a copy from the Tax Division or the Zoning Division.

Massage Parlor. Massage services by practitioners not having a Colorado Massage Therapy license, except exempt alternative modalities specified by C.R.S. 12-35.5-110, are restricted as to location and subject to additional application requirements and regulation. See www.ci.wheatridge.co.us or inquire with the Tax Division.

Medical Marijuana. Medical marijuana centers (dispensaries), growing operations and infused products production are regulated by state and local laws and are subject to additional application requirements. See www.ci.wheatridge.co.us or inquire with the Tax Division.

Kennel. A non-veterinary location that houses more than three dogs or four cats or that sells, breeds, buys, trains or trades cats or dogs must obtain the City kennel license in order to be approved for a business license. The annual fee is \$35. Call for an inspection at (303) 235-2220.

Pawn Broker. Pawn brokers must apply for the pawn broker's license, which requires an annual fee of \$5,000. The application is available from the Police Department by calling (303) 235-2932.

Enter the mailing address of the individual or department to which correspondence regarding Wheat Ridge taxes and forms should be directed. Post office boxes are permitted. Enter the city, state, and zip code. Zip+4 entries are permitted.

The Wheat Ridge Code of Laws requires that every person engaged in business in the City keep and preserve records suitable in content and form to allow the City to determine such person's tax liability. Audits are often conducted at the location where books and records are maintained, but may also be conducted at City offices.

Line 34 – Duplicate Address. If the address where tax records are maintained is the same as the location address, the business licensing address, or the tax address, check the appropriate box on this line 33 and proceed to line 38. Otherwise, complete lines 34 through 37.

A street address where tax records are maintained is required. Do not check a duplicate address box if you entered a post office box for the business licensing or tax address. Complete lines 31 through 34.

Lines 54 through 56 – Prior Registrant. If this application was caused by the purchase of an existing business, a merger, or a change in legal form, enter the name and Federal Employer Identification Number (if known) of the previous registrant. Enter the effective date of the purchase, merger, or change on line 57. The account of the previous registrant will be closed and a final tax return will be required.

In certain circumstances, a new owner may be liable for taxes owed by a previous owner. For more information, see Section 22-38 of the Wheat Ridge Code of Laws at www.municode.com.

Line 57 – Start Date in Wheat Ridge. Enter the date business commenced or will commence in Wheat Ridge. All registrants must enter a date in the form mm/dd/yyyy. If you are unsure of the exact date, enter a date which best represents your anticipated start date.

This date may be in the past if the registrant has been operating without a license. Prior period tax returns may be required.

New businesses in the City should list the opening date excluding prior construction and setup time. An initial use tax return is due on the 20th of the month following this date.

Even service businesses that do not make taxable sales will likely have a use tax liability. For additional information on use tax, refer to *the Tax & Licensing page* of the City website or call the Tax Division at (303) 235-2820.

If your business is occasional, making only one or two sales in the City per year in excess of \$1,000, select an annual filing frequency to avoid filing zero liability returns monthly.
