For plats with a platted stormwater detention easement or tract, use the following example:

The stormwater detention/water quality area within areas here shown as (e.g. Tract A and/or drainage easement) shall be constructed and maintained by the owner and subsequent owners, heirs, successors and assigns. In the event that such construction and maintenance is not performed by said owner, the City of Wheat Ridge shall have the right to enter such area and perform necessary work, the cost of which said owner, heirs, successors, and assigns agrees to pay. No building or structure will be constructed in the detention area and no changes or alterations affecting the hydraulic characteristics of the detention area and storm sewer will be made without the approval of the Community Development Director.
